Booking your group is easy:

1. Gather a group of at least 10 people (100 maximum on most dates)
2. Select the performance you would like to see.
3. Call 619-342-7395 or email seema@moolelo.net to make your reservation.
4. A **20% non-returnable deposit** to be applied against your balance is required to hold your group reservation – we recommend securing your group reservation as soon as possible as our performances tend to sell out. **Two weeks prior to your performance date, we ask that you re-confirm your minimum number of seats**, you may always add to this number (space permitting) but we will be unable to decrease your ticket order after this date, and you will be committed to paying for the full group amount. **The balance is due two days prior** to your selected performance – all sales are final once full payment is received. Payment can be made by credit card or check.
5. We do not mail out hard tickets, but handle everything electronically. Please email a final list of your attendees, in alphabetical order, at least 5 hours prior to your performance to seema@moolelo.net or bring a hard copy of your list to the theater one-hour prior to the performance. Inform the members of your group that they will check in by their last names.
6. Nonprofit organizations may choose to make your event a fundraiser for your group by charging your patrons more than the group rate and keeping the profit.
7. Mo'olelo can help you promote your group event by providing you with promotional postcards and graphics. Let us know how we can help.
